(8) The above rewards may be payable to any postal employee, *except a post office inspector*, or to any other person.

(9) The Post Office Department reserves the right to refuse payment of any claim for reward when in its opinion there has been collusion, or when improper methods have been used to effect an arrest or to secure a conviction; and it also reserves the right to allow only one reward where several persons have been convicted of the same offense, or where one person has been convicted of several offenses, unless the circumstances in its judgment entitles the claimant to a reward for each conviction.

(10) All allowances made under the terms of this Notice of Reward will be determined according to the circumstances surrounding the particular case, and in making them the importance and value of the services performed, the character of the person arrested and convicted, the time consumed, expenses incurred, and the efforts put forth will govern.

(11) When an offender is killed in the act of committing any of the crimes enumerated herein, or in resisting lawful arrest therefor, the same reward may be paid as though he had been tried and convicted.

(12) When a person has been convicted for committing any offense enumerated herein a reward may be paid, even though such person when arrested was charged with committing an offense not so enumerated.

(13) Application for reward should be made to the Chief Post Office Inspector, Washington, D. C., and payment will be made upon presentation of satisfactory documentary evidence, subject to the necessary appropriation, as aforesaid; but a claim will not be considered unless presented within three months from the date of the conviction of an offender, or within three months from the date of his death, if he was killed in the act of committing the crime or in resisting lawful arrest therefor.

(14) In order that all claimants for reward may have an opportunity to present their claims within the prescribed time limit, the Department will not take final action until expiration of three months from the date of conviction of an offender, or within three months from the date of his death, if he was killed in the act of committing the crime or in resisting lawful arrest therefor.

(15) All previous offers of reward are hereby rescinded except as they may apply to cases in which arrests were made prior to July 1, 1924.

hgt.: 5ft6" to 7"
wgt.: 130 to 140 Lbs.
hair dark brown

Was dressed in a gray tweed suit, wore a straw hat, panama style, and had a bandage over his nose, most likely for the purpose of concealing either a very prominent nose or some defect on same.

M.O.: This man entered the Bank at about three p.m., and engaged the Cashier in a conversation about insurance, representing himself to be connected with the Pacific Mutual Insurance Company. As the doors of the bank were closed, he personly opened the door to let the last customer out, and then locked the door. He then opened a tan rough leather brief-case, and took from same a .38 calibre Colt automatic Pistol, and ordered the Cashier and his Assistant to reach for the sky. He then forced the Cashier into the Vault and made him rass out stacks of money, which he put in his brief case. Upon being informed that the vault was connected with a burglar alarm, locked the cashier and his assistant into the wash-room, left the bank through the front door, stepped into a old and decrepit looking Roadster and drove off. A few miles from the scene of the Robbery, he was seen to get out of the Ford Roadster and to get into a large blue touring car and to drive off. We believe that this last car was a Jordan and that it has wire wheels. He managed to get away with the following sum of money:

Gentlemen:

We hold warrant, issued in the Justice's Court of Los Angeles Township, by Justice Samuel R. Blake, on the 16th day of October, 1924, on complaint of E. E. Hack, for the arrest of JACK PINSLEY and ALFRED LEO BRYAN on charge of robbery, a felony.

Description of Jack Pinsley: Jew, 26 years, 5 ft. 6 inches, 155 lbs, heavy build, thick blond hair, blue eyes, sharp features, light complexion, smooth shaven, wore gray suit, tan shoes, light colored felt hat.

Alfred Leo Bryan, American, 33 years, 5 feet 10 in, 150 lbs; smooth shaven, blue eyes, light brown hair thin on top, tattoo marks on arms and hands, blue serge suit, tan shoes.

Pinsley and Bryan, on Oct.14,1924, took Jack Meeker of 722 W. 11th St., this city, to Griffith Park, this city, and there, at the point of a gun, robbed him of a diamond ring valued at $138, and $180 in cash. They then stripped him of all his clothing and left him in a canyon, with threats to kill him if he offered any resistance.

We are informed that Pinsley and Bryan left for Oakland and San Francisco immediately after the crime, and that they also spoke of Sacramento, where they had been recently, and "had a good time".

Jack Pinsley is said to have recently lived at the Gartland Hotel, 909 Geary St., San Francisco, where he was as late as August of this year. Said to have been registered under the name of Richmond C. Pinsley. He is said to also have a brother living at the Federal Hotel in Oakland, but both of the defendants may have gone to Sacramento.

Please instruct your officers to be on the lookout for these men, Jack Pinsley and Alfred Leo Bryant, to arrest and hold them for us on Warrant for Robbery.

BANK ROBBERY

About 12.30 p.m., yesterday afternoon, the California National Bank branch, 2000 E. Anaheim, this city, was held up and robbed and about $6500.00 in currency and American Railway Express money orders were taken. The robbery was committed at a time when only two employees were in the bank; these, together with one customer, who happened to be in the building, were forced into a small clerk room. Upon finding the vault doors closed one of the employees was ordered to open same, after which he returned to the clerk room.

A car, reported to be a Buick, 1922 model, black paint, was used in this robbery, but license number was not obtained. There is a question as to how many men operated in this crime, but it is certain that there were three men entered the bank. One man watched the front entrance, one covered the bank teller and one covered the bookkeeper. It is reported by witnesses that there was also a man waiting in the car, but this could not be ascertained with certainty.

About $4500.00 in $20.00, $5.00, $10.00 and $20.00 bills were taken. About $2,000.00 in American Railway Express money orders was also taken, serial Nos. 492795, 3566646, to 3566660 and 1356794 to 1356805.

Following is a description of the men seen by the bank employees:

No. 1. 35 to 40 years of age, 5-11", slender build, about 150 lbs, thin features, smooth shaven, dressed neatly. Wore grey suit with dark stripe and black overcoat. Carried a gun, about 38 calibre, 3" or 4" blue steel. This fellow is the oldest man of the three and stayed at the front door.

No. 2. No accurate description was obtained. About 30 years of age, 5 ft 9 or 9½ inches. Wore light cap well down over the eyes. Had a scar that resembled an old cut. Perhaps once a blue steel, but may have been nickel well worn. Took care of the money and left by side door with Teller.

No. 3. 30 to 35 years of age, 5 ft 8 inches, slender build, thin features, fair complexion, sharp blue eyes, sharp nose. Wore grey suit and grey cap. Appeared neat. This man leaped over counter and left front entrance. Can be positively identified. Watched the victims and took the employee from the clerk room to make him open vault door. This man kept very busy.

Any information you might be able to furnish with regard to the above will be greatly appreciated. If arrested, please notify me at once.

WARNING

As President of our Lodge, I am WARNING THE MERCHANTS to be on the look-out for G. E. Marlowe and Stanley Ward Hart, as many circulars and notices have been sent out by the GRAND LODGE against PAID SOLICITORS, and asking the Officers and Members to notify the business men. We have many complaints against G. E. Marlowe and Stanley Ward Hart, who are not railroad men and our Chiefs of Police have been notified to pick them up.

A Mr. G. E. MARLOWE, representing the RAILWAY JOURNAL, a (SALT LAKE CITY, UTAH) publication is and has been soliciting advertising from the merchants, misleading the merchants and others to believe that this publication was the OFFICIAL publication for the 1t standard railroad labor organizations by referring to the emblems on the front cover which he has no authority to use.

The RAILWAY JOURNAL is in no ways connected with the BROTHERHOOD OF RAILROAD TRAINMEN, and is only an advertising scheme prompted by this man MARLOWE, and carries no weight or circulation among the railroad men.

It has been brought to our attention that he (MARLOWE) is using other bona fide railroad publications, aiding the merchants and others to renew their advertising, misleading the advertiser to believe that they are supporting the railroad men.

Recent copies of the RAILWAY JOURNAL shows that he is operating in many states.

Will appreciate it very much if you will give this due publicity and be on the lookout for this advertising scheme, his solicitors and local representatives in order that the MERCHANTS and OTHERS will not be DUPED thinking that they are patronizing the railroad men.

On February 2, 1925, we had a Service Station robbed at San Anselmo, Marin County, by a bandit described as follows:

About 5'6 or 7"; 23 years old; 160#; slightly dark complexioned with two or three days growth of beard; wears either striped or brown coveralls when holding up a station; uses a six-shooter large caliber, thought to be a frontier model.

When holding up a station, he uses an ordinary brown sock, which he tosses to the operator, and compels him to put the money in the sock.

We recovered a pair of striped coveralls that he used on the San Anselmo Service Station, and also in holding up a drugstore and a pedestrian. We found the laundry mark #335 on these coveralls, and would thank you if you would make a check of your laundry lists and see if his name appears.

This same man held up a Service Station in Stockton on February 11th, using the same methods, and I am of the opinion that he will work either north or south through the Valley.

I would thank you for any information that might lead to the apprehension of this man, and, if you get a lead, I will be glad to come to your city and cooperate with you in locating him.

John Doe, WANTED!!

IN CONNECTION WITH THE MURDER CASE AT POLLOCK, SHASTA COUNTY, CALIFORNIA, COMMITTED ON THE NIGHT OF SATURDAY, MARCH 14TH, 1925:—

Young man between 16 and 18 years of age; black hair; dark complexion; round face; good looking; about 5 feet 6 or 7 inches in height; small growth of moustache on lip, has never shaved. Has sores on hands and face.

Wore a dark cap, green shirt, bib overalls over pants; number 9 tan shoes with rubber heels and camp coming up to rear tongue; one shoe ripped on side and has been resewed. Traded an overcoat with an Oregon trade mark for above described shoes. Had in his outfit a blue mackinaw, a coat and two government blankets. Carried a short pinch bar, such as used to open boxes. Said he bought it at a second hand store and used it for a fire poker. In conversation with boys at Pollock, said he came from Seattle where he has an uncle.

Was last observed at his camp near Pollock, about 7:30 P. M., the night of the murder. Some describe this boy as combing his hair straight back. The above description is approximate but in the main is believed to be about right.

It is important that I apprehend this boy, if not as an accomplice, as an important witness. If found, arrest and notify me by wire or phone.

Would like to establish the identity of the dead man, who is described as follows:—

About 40 years of age; 135 to 140 pounds in weight; about 5 feet 4½ inches in height; light brown hair, rather long and thin on top of head, mixed with gray and a little wavy; hair trimmed above the ears; rather large round ear, stands out from the head; Roman nose, rather broad at nostrils; rounded chin; blue or gray eyes; good front teeth; high rounded forehead. General contour of the head is round. Cheeks somewhat sunk in. Ordinarily smooth shaven but has several days growth of beard on face which would be of a reddish tinge.

Wore soldiers khaki hiking pants, those that lace at the bottom, brown colored knit sweater when killed; had short leather coat with knit wristlets, soft brown hat and common shoes that had been resoled with belting. Carried two ⅝ inch dice, green transparent style, in the breast pocket of the sweater he was killed in. Also was supplied with cards and pegs, presumably to play cribbage with. Had a good workable barber outfit in a canvas rollup case, consisting of razor, shears, razor strap, bones, barber comb and brush, soap and brush. Had a round hand mirror in a metal case with a monogram scratched in it, a capital W with a bar across center lines making an A, evidently intended for WA or AW.

This man's camp was about a quarter of a mile below the camp on the river where the murder was committed. He was evidently a visitor. When found he had been dead two days. Was covered over with a blanket. Had no money on his person when found, or watch; but from the appearance of a long shoe string fastened to the button of the right hand pocket of the sweater, he had carried a watch there; strings were untied and hung down. Hat is a soft brown, with the rim unbound; is number 7⅛ size, made by The Helbing Hat Company, San Francisco. Has a broad band of a darker brown color. Wore at time of killing a cheap blue cotton shirt, well worn. Shoes were number 8, light tan color and well worn. Were of good quality when new and have insoles in them. Are now well worn and have been resoled with rubber-cotton belting probably by murdered man as he has shoe nails in his outfit.

Neil Farmer says that he was known to him as "Whitie;" man from Hornet Mine says photo looks like man known there as "Whitie."

I also wish to locate A. W. Barnes, who was last seen at Pollock, Shasta County, California, on Saturday, the 14th day of March, 1925, the day on which the above mentioned murder was committed. He left his tent and effects in a condition that would indicate that he contemplated but a short absence. He is known to have held conversations with the occupants of the camp at which the dead man was found and it is important that I get into communication with him as an essential witness.

The following is his description, taken from a hunter's license issued to him in Colorado, in 1919. According to the license he would at this date be 67 years old; 5 feet 6 inches in height; was 127 pounds in weight, blue eyes and dark hair, probably gray now.

A letter addressed to him to Gen. Del., Sacramento, California, dated January 8th, 1925, is among his effects.

I would appreciate any effort made to apprehend the two live subjects and any information that would lead to the identity of the dead man.

W. W. SUBLETT, Sheriff.

March 6, 1925.

Mr. Bernard McShane,
Chief of Police,
Sacramento, Calif.

Dear Sir:

This Department holds a United States warrant on the charge of holdup and robbery for Barney Goldstein, alias Abraham Green, a Jew; 53 years old; 5 feet 7¾; 197 pounds; wavy chestnut-colored hair; blue eyes; dimple in chin; several gold teeth; and Harry Sitomer, alias Sitmer, alias Seyman, alias Dodson, alias Fisher, alias Platt, a Jew; 30 years old; 5 feet 5¾; 145 pounds; medium light chestnut hair; brown eyes; whose photographs are herewith enclosed.

On February 10, 1925, a well-known furrier of this city was held up in his place of business and robbed of $8,500 by these men. Several days prior to this hold-up a man, identified as Goldstein, alias Green, went into this furrier's shop and had a button sewed on his coat, and while this was being done, he engaged in a conversation, asking if he knew of some one who would buy some furs and clothing, and arrangements were made for the delivery of some furs on the day of the hold-up. Goldstein later made his appearance with another man, whom we have identified as Sitomer, they knowing the furrier would have the amount agreed to previously.

They are said to be well known in Los Angeles, and may also be known in your city, especially among the sporting class of people, and I ask that you have inquiry made, and if found, arrest them and wire me, when arrangements will be made for their return.

Yours very truly,

TANKO $1000 Reward HALL

One Thousand Dollars Reward will be paid for capture and conviction of the two men, who on April 17th murdered Merchant Harry J. Litzberg in cold blood after braining Litzberg's aged clerk with an iron bar, while attempting to rob the Litzberg store.

When Litzberg rushed to the rescue of his employee, one of the pair, presumably Tanko, with a Carbine rifle concealed beneath his overcoat, without a word shot Litzberg dead. Four days after with the same rifle Tanko (so identified) shot and dangerously wounded Police Officer Nunn, who was in pursuit of the bandits.

Last reliable trace found of these men; they were making their way on foot through the mountainous country of Placer County. On Friday evening, May 8th, in a woodcutter's cabin, 2 miles southwest of Iowa Hill, Placer County, Hall exchanged his coat, torn to shreds from the brush; also a pair of worn out shoes, evidently worn by Tanko, was left behind in exchange for a good pair. From this cabin they secured provisions including six jars fruit, and a Savage rifle with 26 rounds of ammunition. They sawed off this rifle stock 6 inches to permit concealment beneath their overcoats.

Both bandits may now present a rough unshaven appearance. They seem to follow the line of trails and roads, keeping well out of sight in the dense brush, however. They may be heading eastward by way of El Dorado and Amador counties; or southward through Tuolumne county, avoiding roads or highway by daylight. They may keep under cover in the brush in Placer, El Dorado and Nevada counties until they believe that search has been abandoned, a method peculiar to ex-convicts. They may also seek to make their way through the Carson Valley into State of Nevada.

Tanko and Hall escaped from San Quentin Penitentiary April 8, 1925. They were serving life sentences for the cold blooded murder of Chief of Police Meehan of San Bruno, San Mateo County. These men have been pals for 5 years, served term together in Colorado for burglary; they are still together and will HANG together unless killed in capture.

[illegible]or.

Secretary to McCook County officials of Chas. A. Snyder for the alleged murder of Patrick McNaboe on Dec. 5, 1921, in McCook County, S. D., description of Snyder as follows: Height, about 5 feet 11 inches or 6 feet; weight between 190 and 215 lbs., age now about 46 years old; known as Red Snyder; wavy sandy hair; sandy complexion; usually clean shaven, when wearing a beard thought to be sandy or red; good talker; walks with slight stoop; good teeth, show when he laughs; medium sized nose; skin freckled; rather small neck for a man of his size; rather full lips; scar in hair above right ear; build, stout; eyes, hazel; "T" scar on joint of left thumb; dim scar on left index finger; dim scar on left eyebrow; small scar on knee cap; one eyelid, I think the left one, slightly drooped some years ago. Snyder was received at the Ft. Madison, Iowa, penitentiary about Nov. 17, 1900, for larceny of horses and sentenced for three years; discharged May 18, 1903. The two pictures bearing No. 7774 are those taken while he was at Ft. Madison and are therefore about twenty years old. The picture on the left was taken about ten years ago, but the prison pictures are considered the better likeness of him even though they are older. Below appears a sample of his signature while he was a resident of Bridgewater of this County at the time the crime was committed.

This murder was particularly a brutal one. McNaboe was shot, his body cut up, placed in a trunk, hauled about forty miles, where it was partly buried. When discovered, the head was missing and has not been found.

This man will be found around grading camps or working on boats, and frequently hanging around pool halls as he has no trade.

I hold warrant for arrest on murder. Communicate with Morris Gregory, Sheriff of McCook County, South Dakota.

If this man is apprehended, wire all communications to Sheriff, collect.

Method of Operation

These men usually ask to be shown diamonds weighing from 1 to 1½ k., and if the jeweler called upon fails to have that particular size in stock, he is requested to secure them and an appointment is made to return later. They finally succeed in sneaking from the jeweler one or more loose stones of good quality. They are apparently well versed in the value of diamonds. On some occasions they have used a Hupmobile Coach and may be traveling from city to city in this coach.

If anyone answering the above description calls on you, endeavor to detain them long enough to show this circular to a police officer, that he may take such action as he sees fit.

This Agency, under its rules, does not operate for rewards and will not accept, or permit any of its representatives to accept, this reward or any part thereof.

CHECKS NO FUNDS AND LARCENY

Circ. #50
San Diego - 7/15/25.

GEORGE F. O'SHEA.

I hold Felony Warrant for GEORGE T. O'SHEA charging drawing checks on a bank without having funds or credit therein with which to meet the same, with intent to defraud; also Warrant for him charging LARCENY.

DESCRIPTION: Race, Irish American; age, 45 to 50; Height, 5' 7"; Weight, about 150 pounds; complexion, dark; eyes, grayish brown; hair, iron gray; good teeth. Has the actions of a bowery tough; very talkative, especially when drinking; has peculiar twitching of the eyes, presumably a nerve affliction.

MODUS OPERANDI: GEORGE T. O'SHEA at one time belonged to the Iron Workers Union, was affiliated for many years, but of recent years has not worked at his trade but still makes the rounds of labor temples and affiliates with members of the Iron Workers Union, and is making it a practice of fleecing and defrauding members by giving and issuing to those members or through the influence of those members checks on banks where he has no funds. In San Diego, where he arrived about the fore part of July, this year, he looked up members of the Iron Workers Union, one of them being George D. Wagner, who was crippled up, perfectly helpless and on crutches. Mr. Wagner took him to his room at his hotel, gave him a bed to sleep in, made good for his board, and when O'SHEA left town July 12th, he went to Wagner's room and stole from this room all his clothes, such as underwear, shirts, suits of clothes, hose, neckties, and practically left him without anything except what he had on his back.

The day before he left San Diego he went to Walter Barnes, of the Carpenters Union, and asked him to indorse a check for $30.00, which Barnes did, the check was returned "No Funds." He showed Mr. Barnes his check book showing a credit of $300.00 in a Minneapolis bank. He floated several other checks, all to Union workers in San Diego.

I have been requested by the Union workers here to send some of these circulars to iron workers locals, requesting co-operation on their part in the apprehension of this man O'SHEA, as it is believed he will continue this line of conduct indefinitely to the detriment of brother workers.

Any Labor organization or members of organized labor may call at the Police Department or Sheriff's Office in the city where they are located and a man will be furnished from either the Police Department or Sheriff's Office to arrest this man, whether it be in the State of California or some other State. In case of his arrest, wire me at my expense, we will extradite from any state.

I am authorized by the Board of Police Commissioners to offer a reward of Five Hundred Dollars for information leading to the arrest and conviction of the two men who murdered William Bell, an employee of a gasoline station at 1624 Bloor Street, West, this city, on Monday night, June 15th.

John Doe 37 640

Description of the two men wanted: No. 1, age 25 to 30, 5 ft. 10 or 11, slim build, thin pale face, wearing peak cap and grey suit. This man got out of a stolen automobile, bearing license No. 27231, and pointing a revolver at Bell ordered him to throw up his hands. Bell turned to get a revolver out of a drawer and when he faced about was shot in the stomach. The gun used was evidently a 45 calibre automatic. After wounding Bell the criminal ran and jumped in the stolen car and escaped. Later this car was recovered in West Toronto.

No. 2. We have a very meagre description of this man but he is said to be about 24, short, and wearing a grey suit.

In the car when stolen was a lady's coat, made of brown marvello cloth, trimmed collar and cuffs with grey squirrel, lined with grey silk, loose fitting; 1 gent's light weight spring and fall rain coat, double breasted, size 38, slash pockets. When car recovered both coats were missing.—May have been sold by the thieves.

In case there is more than one claimant for the reward the Chief Constable reserves the right to decide who shall be entitled to receive the same.
